Some people order lunch at TOP. We all order food sometimes in the community.

When you order food, stand at the counter with a calm body.

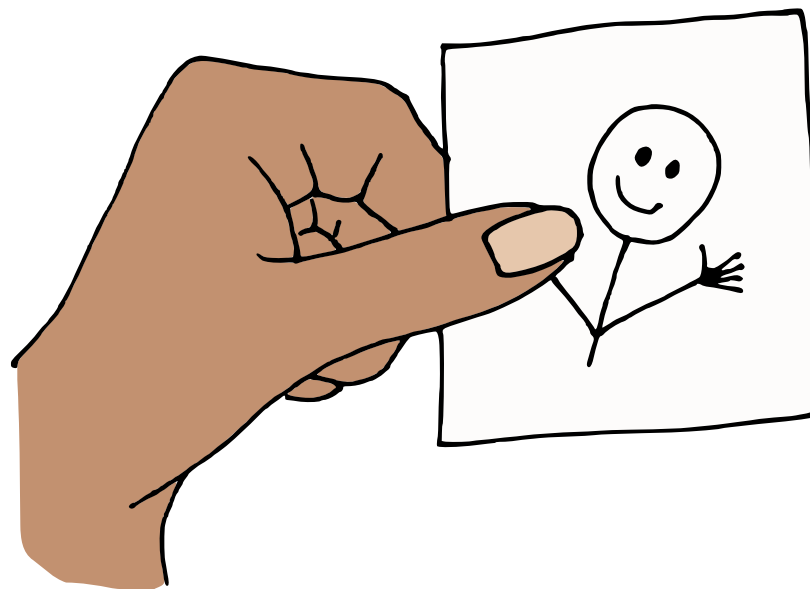

Look at the person who  
is serving you.

Calmly tell the person  
you would like. Some  
people use their voice.

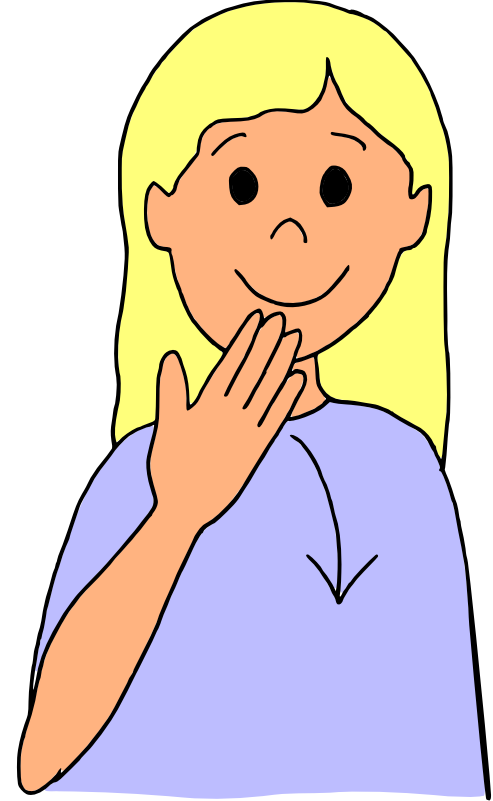

Other people use a  
device

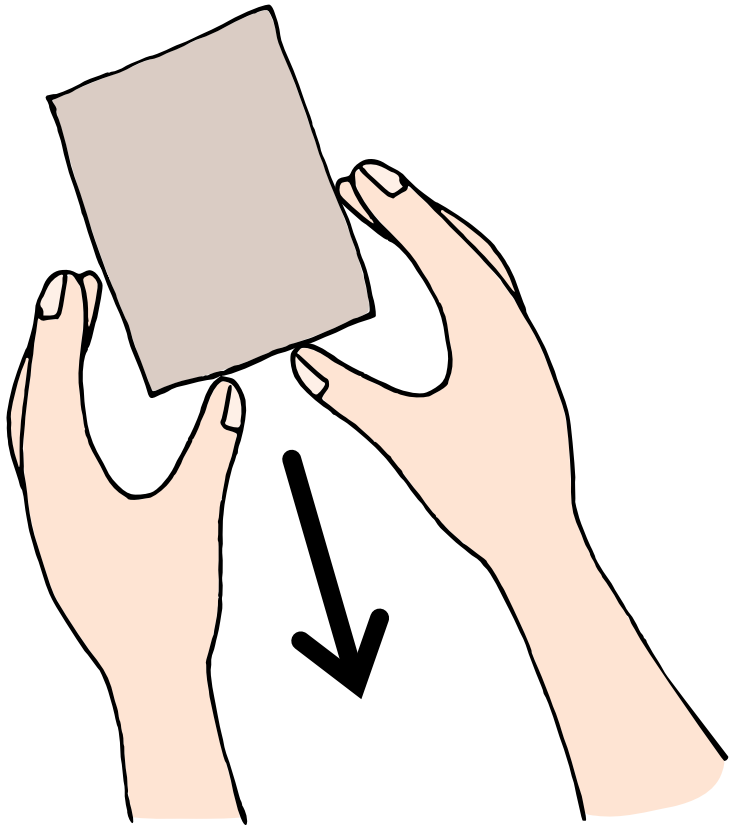

or picture cards to  
communicate.

These are all okay ways  
to do it.

Say thank you to the  
person helping you. This  
is polite and good  
manners.

Take your meal.

Walk away calmly. This  
is how to order food  
politely.
