

# Recycling

When we finish eating, there are things to throw away, and things to recycle.

At TOP, recyclable  
items go in blue  
containers.

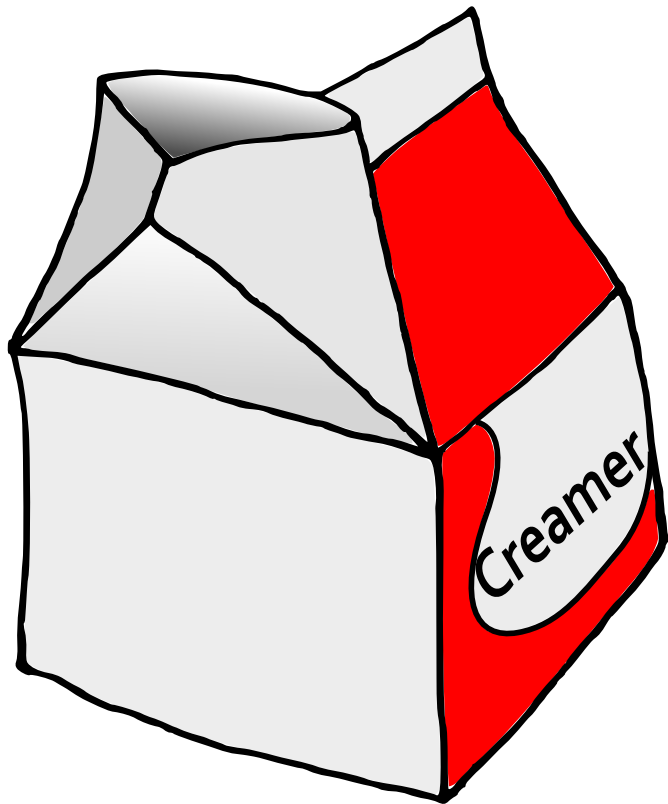

Soda cans

Glass bottles

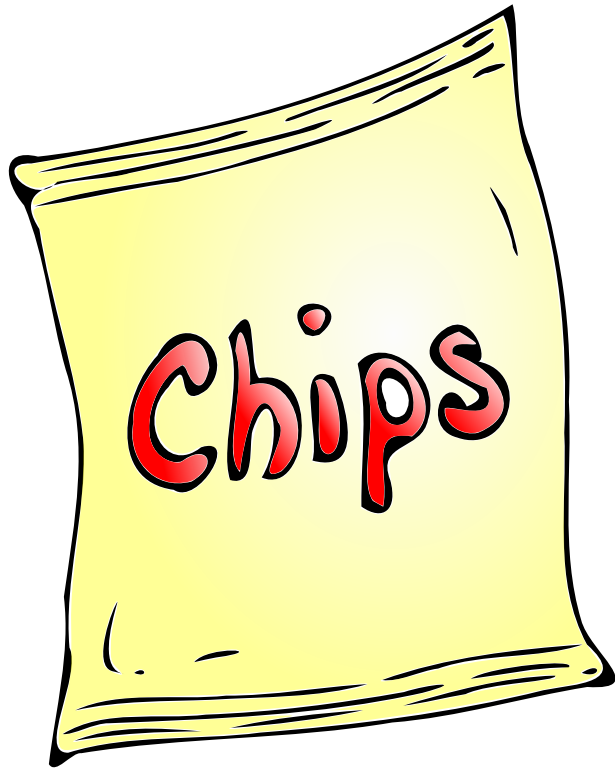

Water bottles

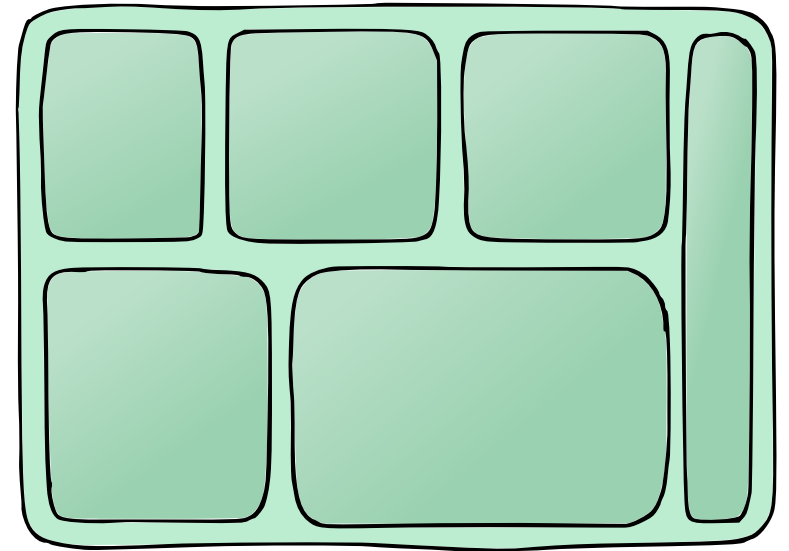

and milk containers are  
examples of things that  
can be recycled.

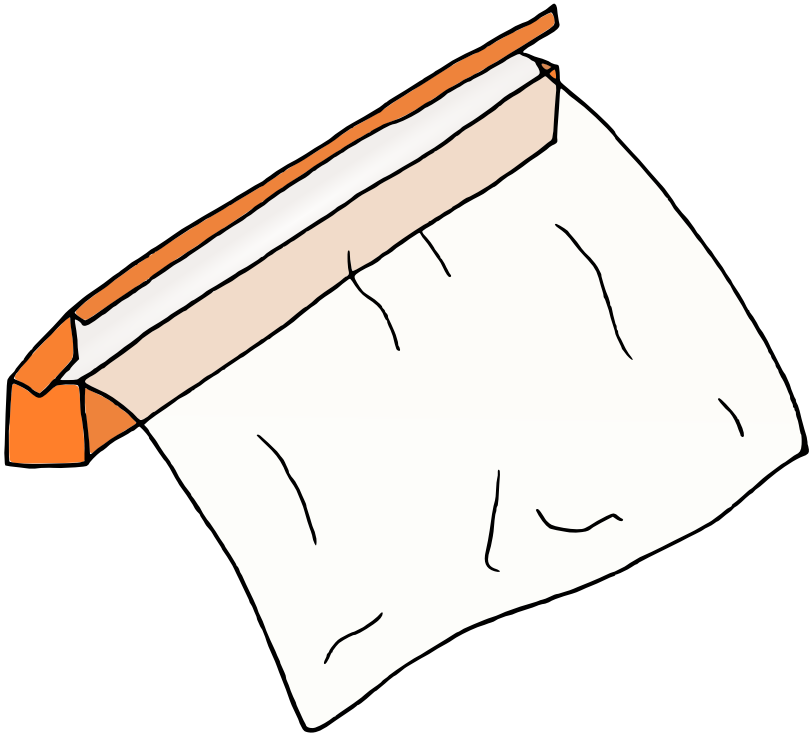

Garbage goes in gray  
containers.

Chip bags,

Lunch trays,

and plastic wrap are all examples of garbage.

We can all do our part to help keep the planet healthy.
