

Where to Change Clothes

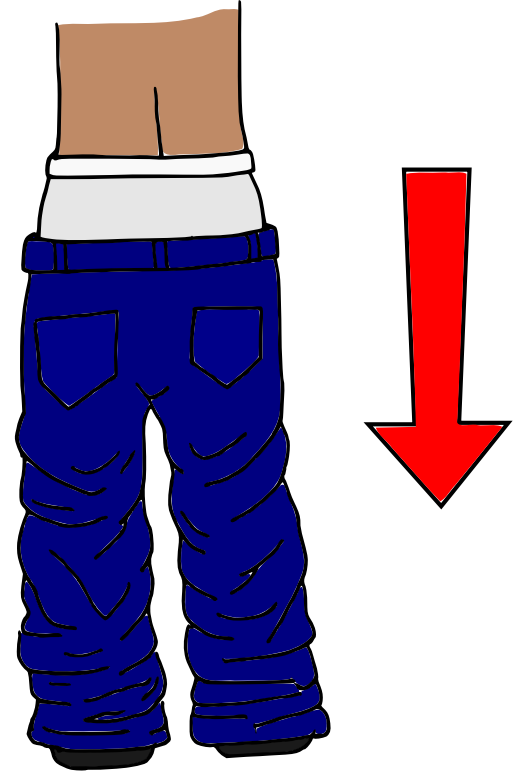

Some activities are private. That means they are done alone or with one helper.

Taking off a shirt is a private activity.

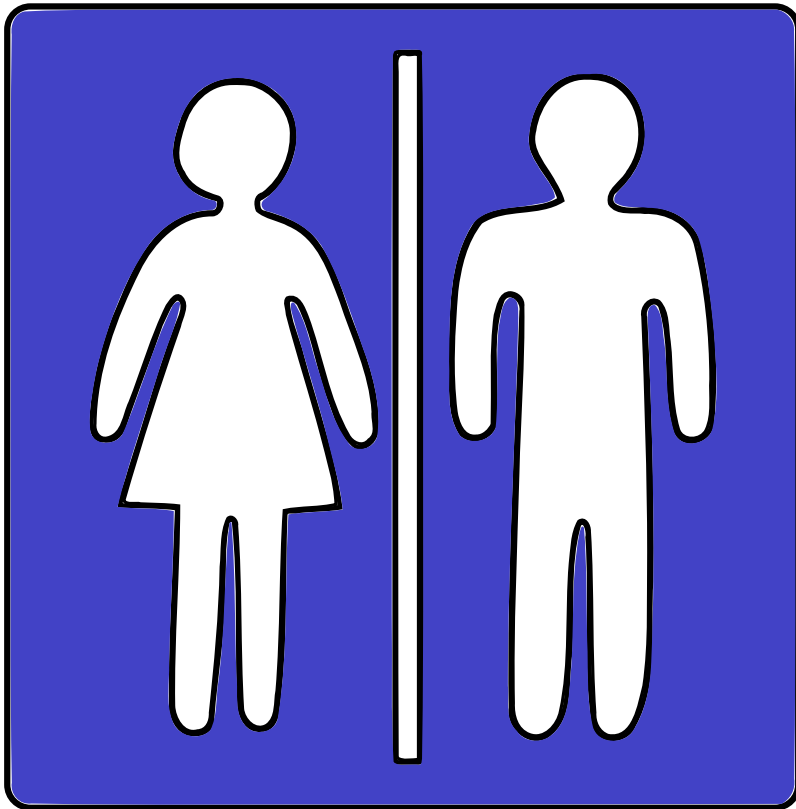

Taking off pants is a private activity.

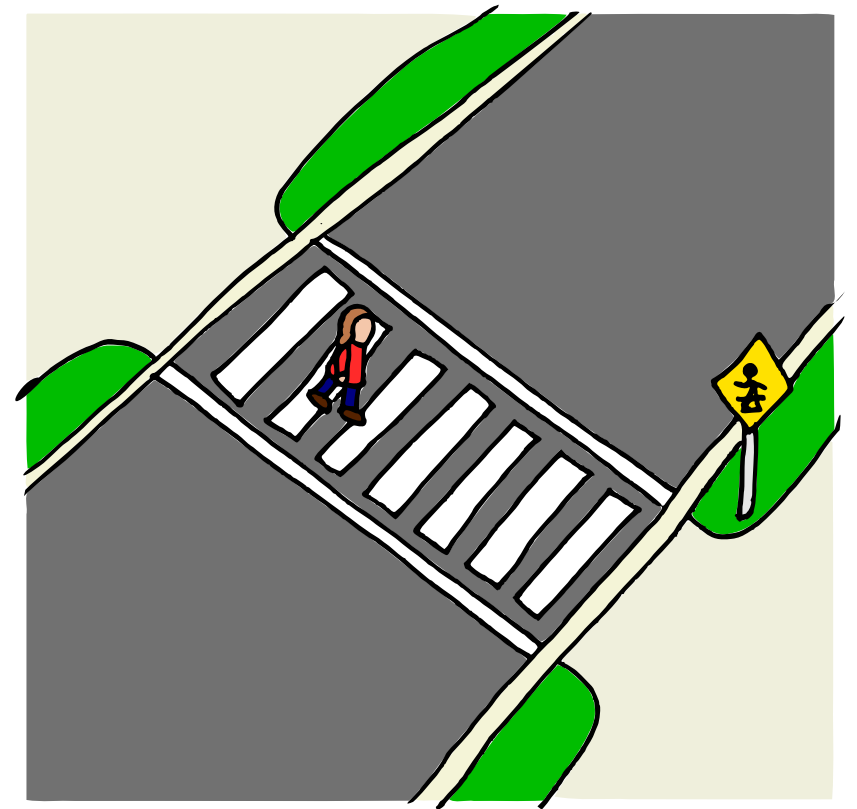

Some people change their clothes in their bedroom.

Some people change their clothes in the bathroom.

We have bathrooms at TOP and sometimes people change clothes there.

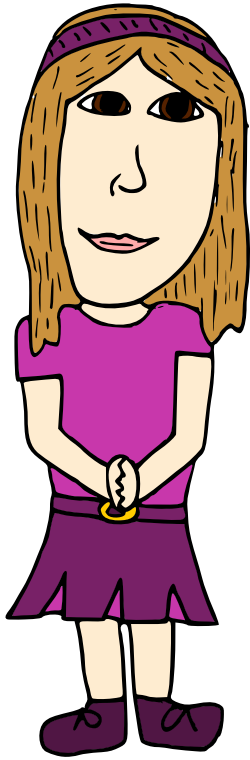

A cross walk is not a private place, so people do not change clothes there.

When people change their clothes in private, it makes others feel good.

When people change their clothes in public, other people feel confused.

If I need to change my
clothes, I will do it in
private.
